

MEL FIELD

Mel has always sung and she ran a Vocal Ensemble group for 20 years. She has been running primary school choirs for 15 years, with some wonderful opportunities, leading and performing with them at Head Teachers Conferences, the Royal Albert Hall, Royal Festival Hall and The O2.

Mel's background incorporates thirty years of stage productions, including lead roles in "Fame", "Pirates of Penzance", "Moby Dick" and "Slice of Saturday Night". She has also performed as the Princess in many Pantomimes – Oh yes she has!!

Mel has extensive experience in event organising for major fundraising organisations which is why she is the Events Director of MDBrunch.

With MDBrunch, Mel now leads school outreach programmes and teacher training/CPD. This is Mel's passion, working with children and aiming to keep proving that music promotes well-being and produces better more intelligent humans - so introducing them to the inclusive world of music as young as possible, is vital.
