

Winter Wander – Singers Code of Conduct

Here are some examples of things you might want to include in your Code of Conduct.

As a community we want to spread some festive cheer after a difficult year for many people. To do this safely all participants need to agree to a simple set of rules to keep everyone safe and happy whilst we sing.

- **Do not attend if you feel unwell. Do not attend if you have been told to isolate. Do not attend if you are awaiting the results of a COVID test.**
- Wear extra layers of clothing. It will be cold.
- **SANITISE YOUR HANDS** before and after the event.
- On arrival at the meeting point please wait patiently and 2m socially distanced to others.
- Arrive on time so you aren't keeping your group waiting.
- **WEAR MASKS FOR SINGING** even though we are outdoors.
- **DO NOT MINGLE. DO NOT HAVE CONTACT WITH ANYONE** unless they are in your bubble or household group.
- **DO NOT EXCHANGE ANYTHING WITH ANYONE** unless they are already in your bubble or household group.
No sheet music, no water bottles, glasses, anything.
- **DO NOT TALK WHILE THE GROUP LEADER IS SPEAKING** that way everyone can hear the instructions, stay safe and have fun!
- **STICK TO THE ROUTE** it has been planned carefully for maximum safety and enjoyment.
